### **0 | End of Daphne Place**

*(520 m 12 mins)* From the very end of Daphne Place, the walk follows the bush track from the grassy nature strip, keeping all the houses (and the 'Tuscan Way' signpost) to the left, and immediately bends to the right and passes a signposted gate above a drainage culvert. The walk follows an arc to the left for some distance before going gently uphill, then bending to the right behind the houses, keeping the houses on the left. The track then becomes asphalted and goes more steeply up the hill, bending to the right before passing a gate and coming out opposite 5 Patricia Place.
