## Before You walk

Bushwalking is fun and a wonderful way to enjoy our natural places. Sometimes things go bad, with a bit of planning you can increase your chance of having an enjoyable and safer walk. Before setting off on your walk check

- 1) Weather Forecast ([BOM Hunter District](#))
- 2) Fire Dangers ([Greater Hunter, Greater Sydney Region](#))
- 3) Park Alerts ([Watagans National Park](#))
- 4) Research the walk to check your party has the skills, fitness and equipment required
- 5) Agree to stay as a group and not leave anyone to walk solo

## Think before you TREK

The 'Think before you TREK' program developed by NSW Police & NPWS promotes the benefits of planning ahead for your bushwalking trip by using an easy to remember acronym:

- T** Take adequate supplies of food, water, navigation and first aid equipment.  
**R** Register your planned route and tell friends and family when you expect to return.  
**E** Emergency beacon (PLB's) should be carried on walks with significant gaps in mobile coverage (check terrain profile).  
**K** Keep to your planned route and follow the map and walking trails.

## Topo Maps

The maps provided on wildwalks are helpful, but there are times where you may need maps covering a broader area. Maps that cover this walk include;

**1:25 000 Map Series:**91323S WOLLOMBI, 91322S QUORROBOLONG, 91314N MURRAY'S RUN, 91311N MORISSET
